

## MAXI WASTE ADAPTOR SYSTEM - SOLVENT WELD ROUND - BRASS SLOTTED GRATE

Our Maxi Waste Adaptor Systems provide a unique, hassle free method of leak control. This product will ensure that your grate sits level by allowing for height adjustment.

- Ultra-slim outer perimeter flange which promotes adhesion to waterproof membrane.
- Ability to adjust vertical height of grate eliminates need for cutting.
- The Maxi Waste Adaptor System is also available as rubber ring jointing (RRJ).

MEASUREMENTS (MM)

| ID    | D<br>mm | GRATE<br>FINISH | A  | MEASUREMENTS |      |     |
|-------|---------|-----------------|----|--------------|------|-----|
|       |         |                 |    | B            | C    | C   |
| 13312 | 80x50   | CHROME          | 35 | 82.3         | 16.7 | 152 |
| 13313 | 80x80   | CHROME          | 40 | 82.3         | 14.6 | 176 |
