

BATH WASTE CONNECTORS

SINGLE CONNECTOR

- Adjustable inlet setout
- Suitable for both 40mm and 50mm outlet pipe
- PVC plug
- **NOTE:** The minimum installation height between the floor and bottom of the bath waste outlet must be 85mm. If bath is to be installed higher, cut 40mm DWV pipe to length, ensuring that the distance between the end of the pipe and bottom of the bath waste outlet is between 85mm and 125mm.

ID	INLET	BOTTOM OUTLET	GRATE	QUANTITY
