# SEWER PEG

## The Easiest Way to Install Drain Pipes

Plastec's Sewer Peg will change the way you lay drains.

With it's easy to use, no fuss design, laying sewer drainage can now easily be accomplished single-handedly.

The Sewer Peg will help ensure your pipe work is installed right, the first time.

- Helps maintain required fall of drain pipes
- Soil bedding indicators help ensure the necessary bedding above and below pipe work
- Easy to use, designed for one person installation
